

1. Answer the questions according to the paragraph . (3x5=15p) E12.5.R2. Students will be able to identify specific information in a real-life text

Alex: Hi, Maria. You look a bit sad today. What's wrong?

Maria: Hi, Alex. I'm just feeling homesick. I miss my family and friends back home.

Alex: I understand how you feel. Have you tried talking to them? A video call can sometimes make you feel closer.

Maria: I do call them, but it's not the same. I miss being with them.

Alex: Maybe you can try finding a hobby or joining a club here. It's a good way to meet new friends.

Maria: That's a good idea. I'll look for a club to join. Thanks for your suggestion, Alex.

1. Why is Maria feeling sad?

She misses her family and friends

2. What does Alex suggest Maria do to feel less homesick?

He suggests she should call her family through video call.

3. What decision does Maria make after talking to Alex?

She decides to join a club to meet new friends.
