

1- Find what Tom and Anna prefer watching, then write which days they are watching them in the table according to the paragrapg given below. One is done for you (5x4=20p) E7.5.R1. Students will be able to understand simple texts about daily routines and preferences

On Mondays, Anna watches TV series because she likes exciting stories, but Tom prefers documentaries because he thinks Mondays should be calm. On Tuesdays, Anna enjoys comedy movies because they make her laugh, but Tom watches cartoons because he likes funny characters. On Wednesdays, Anna likes talk shows because the people are interesting, but Tom chooses news because he wants to know what's happening. This is how they enjoy their week!

	ANNA	TOM
Documentary		Monday
TV Series	Monday	
Comedy	Tuesday	
Cartoon		Tuesday
Talk Show	Wednesday	
News		Wednesday

2- Answer the questions according to the paragraph below. (5x4=20p) E7.5.R2. Students will be able to understand simple texts about past events.

Many years ago, in 1984, a cartoon called 'Voltron: Defender of the Universe' started on TV. It was about five pilots. They lived on the planet Arus. They had big robot lions and fought bad aliens. The pilots worked together a made one giant robot called Voltron. They saved planets from King Zarkon, an evil leader. Kids loved the show because it had exciting battles. It stopped in 1985 because the story ended, but people still remember it today.
