Hi, everybody!..My name's Audrey. I'm a real adrenalin junkie, so I'd rather go somewhere I can perform any kind of extreme sports in my spare time. I love almost all types of dangerous activities, but actually I prefer being in the air most. On the other hand, my parents don't give any permission me to do it. As you see, I'm doing kite-surfing now, and I like it more than many sports. Because at least it makes me feel like flying in the sky.
